

A MESSAGE FROM LEO'S PLUMBING AND HEATING:

Amidst what we are experiencing with the COVID19 outbreak, Leo's Plumbing and Heating continues to remain OPEN for residential services, commercial services and 24/7 emergency calls as plumbing is an essential service. For everyone's health and safety we will be locking the door to our parts shop on 4th Avenue. PLEASE NOTE: all of our plumbers are healthy, wearing masks, gloves and boot covers and know to remain a social distance. We ask our customers that if they are sick or showing any symptoms please call and re-schedule your appointment with us. We look forward to serving you and stay safe!
